

REGISTRATION FORM

This registration form pertains to all 2018 born horses eligible for the Plus 10 bonus scheme. If you are a horse/s breeder, its pinhooker or its new owner this form is to be submitted with the correct registration fee. A horse is only considered fully qualified and able to compete for a full £8,000/€10,000 Plus 10 bonus after all three payments have been made on a horse by the specified deadlines, these being:

- Foal Registration – 31 August 2018
- Yearling Registration – 30 June 2019
- Owner Registration – 28 February 2020

APPLICANTS ARE ASKED TO READ THE QUALIFYING CRITERIA CAREFULLY BEFORE SUBMITTING THEIR APPLICATION.

NB. This form does not in itself render a horse eligible to compete for a **£8,000/€10,000 bonus**. The horse will be eligible only if it meets the criteria for eligibility set out below and all registration payments have been made by the published deadlines.

QUALIFYING CRITERIA

Being either the Breeder, Pinhooker or Owner of the progeny listed on this application form, I certify that these animal/s are eligible for registration for Plus 10 as they are either:

1. The produce of a Great British (GB) or Irish domiciled mare (a mare based permanently at a British or Irish stud or thoroughbred breeding premises which is registered as such and for which foaling returns are made to the General Stud Book), where the mare has been based in Britain or Ireland (other than for periods of temporary travel abroad for covering lasting no longer than a continuous period of nine months) in the calendar year prior to the horse's year of birth.

Or

2. The progeny of a GB or Irish domiciled stallion (a stallion that is recorded in the General Stud Book as standing in GB or Ireland for the covering season).

I agree to be bound by the Rules of Racing and Irish Directives in force from time to time. I understand that the making of a misleading claim may constitute an offence under these Rules or Directives, the penalty for which may be the declaration of the applicant as a disqualified person or such other penalty as may be directed by the British Horseracing Authority or Horse Racing Ireland. I understand, in relation to the Owner Registration fee, I must be the owner of the horse in question at the time of registration and that any bonuses won will be paid out to the recorded owner at the time of the win, which may differ from the person who paid the registration fee.
